

5330/DIV/USSN 09/666,612
Group Art Unit 1616

REMARKS

Applicants have considered the outstanding official action. It is respectfully submitted that the claims are in condition for allowance as set forth hereinafter.

Claims 22 and 23 are rejected under 35 U.S.C. §103(a) as being unpatentable over Yang et al (U.S. Patent No. 2,944,931) in view of Allen (U.S. Patent No. 4,481,243).

In the "Response to Arguments" at page 2 of the official action, the Examiner states that applicants must recite "consisting of" to exclude lanolin of the prior art. Applicants resubmit their earlier arguments as to Yang et al and Allen and have further amended claim 22 as proposed by the Examiner.

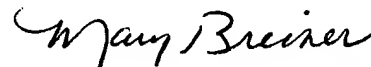

Accordingly, applicants respectfully request withdrawal of the §103 rejection.

Reconsideration and allowance of the application is respectfully urged.

Respectfully submitted,

BRUNO BRET ET AL
